### **GAME CONDITIONS:**

2. All games are running clock, starting and finishing on a hooter. The length of games will be decided after entries close. No half time - No change of ends. No time-outs.
3. All teams must be ready to take the court as soon as the hooter sounds for the completion of the game prior. As soon as a game finishes the court must be cleared as the clock will be running for the next game (no extra hooter will sound). With the number of entries in the event we will not have time to achieve a result if the clock is stopped between games.
4. The rules as sanctioned by Basketball NZ will apply except that:-
  - Personal fouls. 3 only per player. Players may not play in that game again after 3 fouls.
  - All players shall play man-to-man (player to player) defence. No zone defence is allowed.
  - If a player is fouled while shooting and the basket misses, (in lieu of two foul shots), the player automatically receives two points, and the team regains possession at half way.
  - If a player is fouled while shooting and the basket is successful, (in lieu of one foul shot), the player automatically receives two points, plus the one point for the foul. The other team then gets the ball at the base line to continue the game.
  - Technical foul is ONE shot plus possession at half way. After receiving a technical foul, the player/coach must leave the stadium playing area and wait in the changing room/foyer for the remainder of that game.
